

We are pleased to present our new collection of holidays and short breaks for Winter 2010 and Spring 2011! Now in its 4th year, our Supersaver Direct Holidays brochure goes from strength to strength. As well as a small selection of wintertime favourites, there are a number of new hotels and destinations to choose from over the next few pages.

All of our Supersaver Direct holidays have been selected to offer quality at an affordable price with comfortable hotels, scenic excursions and local visits. New holidays on offer include; the Autumn colours of Ayrshire, a 60's themed weekend, Austria's Arosa Express, the Christmas Markets of Reims, Seaside Mega Savers, Newquay, a Highlands House Party, Swiss Winter Wonderland and Lake Garda by Air escorted by our own Tour Director Deirdre Brown.

On all holidays of 3 days or more, we include a minimum of 1 full day excursion. The majority of holidays include some excursions and visits at no extra cost, whilst longer tours feature an optional full day excursion which can be booked with your driver in resort. Prices for these optional excursions will be provided whilst on tour – then you can choose whether you would like more time to relax at the hotel or to explore further afield.

By popular request we have now increased our list of joining points in our key pick up areas between York and Harrogate, offering more convenient pick-ups than ever before!

We hope you enjoy making your holiday selections from this new brochure and look forward to welcoming you on board again very soon.
